## 8 March International Women's Day

This year we have a new postcard and invite women to write to Pope Francis to thank him for his leadership on peace, nonviolence, and disarmament and to share a vision for peace with him. We would like the cards to arrive in Rome by 8th March.

Get together socially to write your cards. We also have our original cards to send to women peacemakers.

**£2 for 20 postcards**

## 21 March – Fly Kites not Drones day of action

Armed drones are weapons of choice for our Government, yet the word drone is being neutralised in its commercial use. Here is a chance to revisit the issue with a day of action, started 5 years ago by young kite flyers in Afghanistan.

Work with children or young people to make kites and fly them in solidarity with the people of Afghanistan. Use the *Fly Kites not Drones* pack. (see resources)

Check out the facts on Drone Wars UK website [www.dronewars.net/](http://www.dronewars.net/). Write to your MP asking for information on the deployment and use of UK armed drones. Transparency is a key concern.

Go to the Drone Campaign Network site for more ideas [www.dronecampaignnetwork.org.uk](http://www.dronecampaignnetwork.org.uk)

## 16–22 April – Global Action to Cut Military Expenditure

Use the global week of action to contrast military spending with funding for human needs. Focus on cuts to local services or the NHS perhaps. Suggestions include a table-top survey in your school or town centre, street theatre, public meetings and an online opinion poll. Resources and ideas: <https://demilitarize.org.uk/day-of-action/>
