St Anselm's Church,
Kennington Cross

Launch reception
@7.30 on 22 September

A beautiful and thought provoking exhibition of photographs taken by the children of Bil'in, a Palestinian village in the West Bank. They offer a rare and eloquent opportunity to glimpse into the lives of children living under stress. The children were asked: ***“What are the messages you would like people to hear about your world and what do you want them to learn about your life?”***

A project of Liverpool Friends of Bil'in
