Lesson 6: Teacher's pack

Starter

Setting our targets

[You will need the **GROW Objective** sheets from the Teacher's pack]

Students are in the groups which they formed at the end of last lesson.

In these groups students must complete their **GROW** objectives for the lesson. [Slides 2 and 3]

- G** - Goal - What do you hope to achieve?
- R** - Reality - Where are you now?
- O** - Options - What options do you have available to help you reach your target?
- W** - Way Forward - What are you going to do to reach your goal?

This will be their learning objective.

Main Activities

Plan your own campaigning action

At the end of the last lesson students had decided the issue they wish to take action about. They will continue to work on their campaigning action. [Slides 4 and 5]

They will need to know the following:

- Why is the issue a problem?
- Who do we need to influence in order to make a difference?
- What action will we take in order to influence them?
- Who will be involved?
- How will you maximise the impact of your action?
- What are the advantages and disadvantages of your chosen course of action?

Plenary

Presentations

Students will present their campaigning action to the rest who will peer assess them using the **Two Stars and a Wish** formula. [Slide 6]

Two stars - two things they have done well

Wish - something they need to do to improve
